1) The Government of India Notification now received may be republished at once in the Mysore Gazette for general information.

2) The proposal that the Mysore Government should issue a similar notification, seems to me to be based on a misapprehension of the object of the Residency in making the enquiry addressed to us in its letter of 1st July 1905, No.3668. That enquiry related solely to contracts under the Madras Planters' Labour Act, 1903, executed outside of Mysore for the importation of foreign labour into Mysore. The probable loss of stamp duty, of which an estimate was asked for, was the loss to the British Indian Treasury, and not to the Mysore State. This was not, I think, properly understood, and the Durbar's reply of the 11th October 1905, Pol. 279, wandered over ground not quite pertinent to the enquiry.

The notes of the late Dewan and Councillors in that file, and the Official Memorandum, No.Fl 459-66 dated 14th July 1905, addressed to the Deputy Commrs of Districts, seem to betray the same misapprehension.

In the absence of a suggestion from the Govt of India or the Residency, or of a request from the Planters, and in the absence of a local law corresponding to the Madras Planters' Labour Act, I do not know why we should proceed to issue a notification reducing the duty on agreements executed in Mysore, presumably under the Breach of Contract Act, XIII of 1859.

Put up a cover & draft on point no 1); & then with copies of the Acts referred to under 2) submit to Dewan thro' 2nd C.S.
